

CYBERSECURITY FRAMEWORK PROFILE FOR CONNECTED VEHICLES

February 26, 2020

AGENDA

- USDOT Intelligent Transportation Systems (ITS) Joint Program Office (JPO) Perspective
- NIST Cyber Security Framework
- Framework Profiles
- CV Cybersecurity Framework Profile
- Looking Ahead
- Q&A

ITS JPO PERSPECTIVE ON CYBERSECURITY

- Leverage Existing Best Practices
- Continue to Create a Common Language for ITS and ITS Cybersecurity
- Give Tools that Industry Can Use
- Tailor the Tools to the ITS Environment
- Make it Accessible
- Make it Extensible
- Make it Adaptable to Enterprise and Supply Chain Needs
